"Video Game System" is defined as the Console, Controller, A/V Cable, and Power Cord/AC Adapter. The Extended Warranties offered for Video Game Systems are backed by BRE Software and extend the standard warranty time of 30 days to your choice of 1 or 2 years from the date you purchase your Video Game System.

Lifetime Game Disc Protection Warranty \$1 per Game (PlayStation 3 Titles Excluded)

If your game disc becomes scratched and won't play, don't pay for a new copy of the game. We will resurface it for **FREE!**

Resurfacing does not guarantee playability. Resurfacing a disc is an attempt to restore the disc to its original condition. There is a possibility that the data will have already been damaged, in which case, resurfacing will not be effective.
